IDCC conference, 20 February 2018 #idcc18
The next stage of development

A joint platform for all things DMP

Agreed to converge on a single codebase, based on DMPonline with additional features from DMPTool

Bring together features and strengths of each tool

Co-manage, co-develop and issue joint roadmap

DMPRoadmap: https://github.com/DMPRoadmap
Open code on GitHub

DCC migrated DMPonline to a pre-release in July 2017

MVP now out to test!

DMPTool set to migrate on 27th February and DCC by end of month / early March

Upgrade guidelines available for those running v.4 of original DMPonline code
New features out to test

Revised create plan wizard

Create a new plan
Before you get started, we need some information about your research project to set you up with the best DMP template for your needs.

What research project are you planning?

Select the primary research organisation
University of Glasgow

Select the primary funding organisation

- or - My research organisation is not on the list or no research organisation is associated with this plan

- or - No funder associated with this plan

Create plan

- Easier to point to institutional guidance
- Accessible dropdown boxes
- Guidance selected afterwards, and can be turned on/off at any point
Centre for the Observation and Modelling of Earthquakes and Tectonics (COMET)

Project title:
Centre for the Observation and Modelling of Earthquakes and Tectonics

Mock project for testing, practice, or educational purposes

Funder

Grant number

Project abstract
The Centre for the Observation and Modelling of Earthquakes and Tectonics (COMET) is a collaborative project funded by NERC, involving scientists from the University of Oxford, University of Cambridge, and University College London.

Plan Guidance Configuration
To help you write your plan, DMPonline-dev can show you guidance from a variety of organisations. Select up to 6 organisations to see their guidance.

- Digital Curation Centre
  - University of Edinburgh
- Edinburgh
- Roslin Institute
- University of Glasgow

Find guidance from additional organisations below

See the full list

Submit
Improved admin controls

- Assign privileges to others in your org (user tab)
- Upload your own logo, links & abbreviation (org tab)
- Easier template publishing and versioning
- Versioning on customisations of funder templates
Organisations can choose to offer feedback on DMPs. If enabled, users get an option to submit plans for feedback.

Admins are alerted to requests and comments are left using the ‘share note’ field.

Plan visibility settings

Centre for the Observation and Modelling of Earthquakes and Tectonics (COMET)

Set plan visibility

Public or organisational visibility is intended for finished plans. You must answer at least 50% of the questions to enable these options. Note: test plans are set to private visibility by default.

- Private: visible to me, specified collaborators and administrators at my organisation
- Organisation: anyone at my organisation can view
- Public: anyone can view

Manage collaborators

Invite specific people to read, edit, or administer your plan. Invitees will receive an email notification that they have access to this plan.

- Email address: s.jones@arts.gla.ac.uk
  - Permissions: Owner
- Email address: marta.nicholson@glasgow.ac.uk
  - Permissions: Read only

Plans are private by default, but can be shared organisationally or made public.

University of Glasgow Plans

The table below lists the plans that users at your organisation have created and shared within your organisation. This allows you to download a PDF and view their plans as samples or to discover new research data.
