For security reasons you will be asked to enter a password we provided

# Your control panel

If you click on the participants tab, a new panel will open. Here you can raise your hand to ask a question, indicate you need the speaker to go faster/slower or say you need a coffee break!

You can clap and give a thumbs up. This will appear on your image for c.5 seconds

Click on the Mute or Video button to start/stop your audio and camera

You can adjust your setting by choosing different options from the arrow menu

You can chat to all or selected individuals. The latter can be helpful if you have tech issues you want to raise with us

When you need to leave, click here

## Test in advance

The room is  
open for you to  
test anytime
