

Data Management

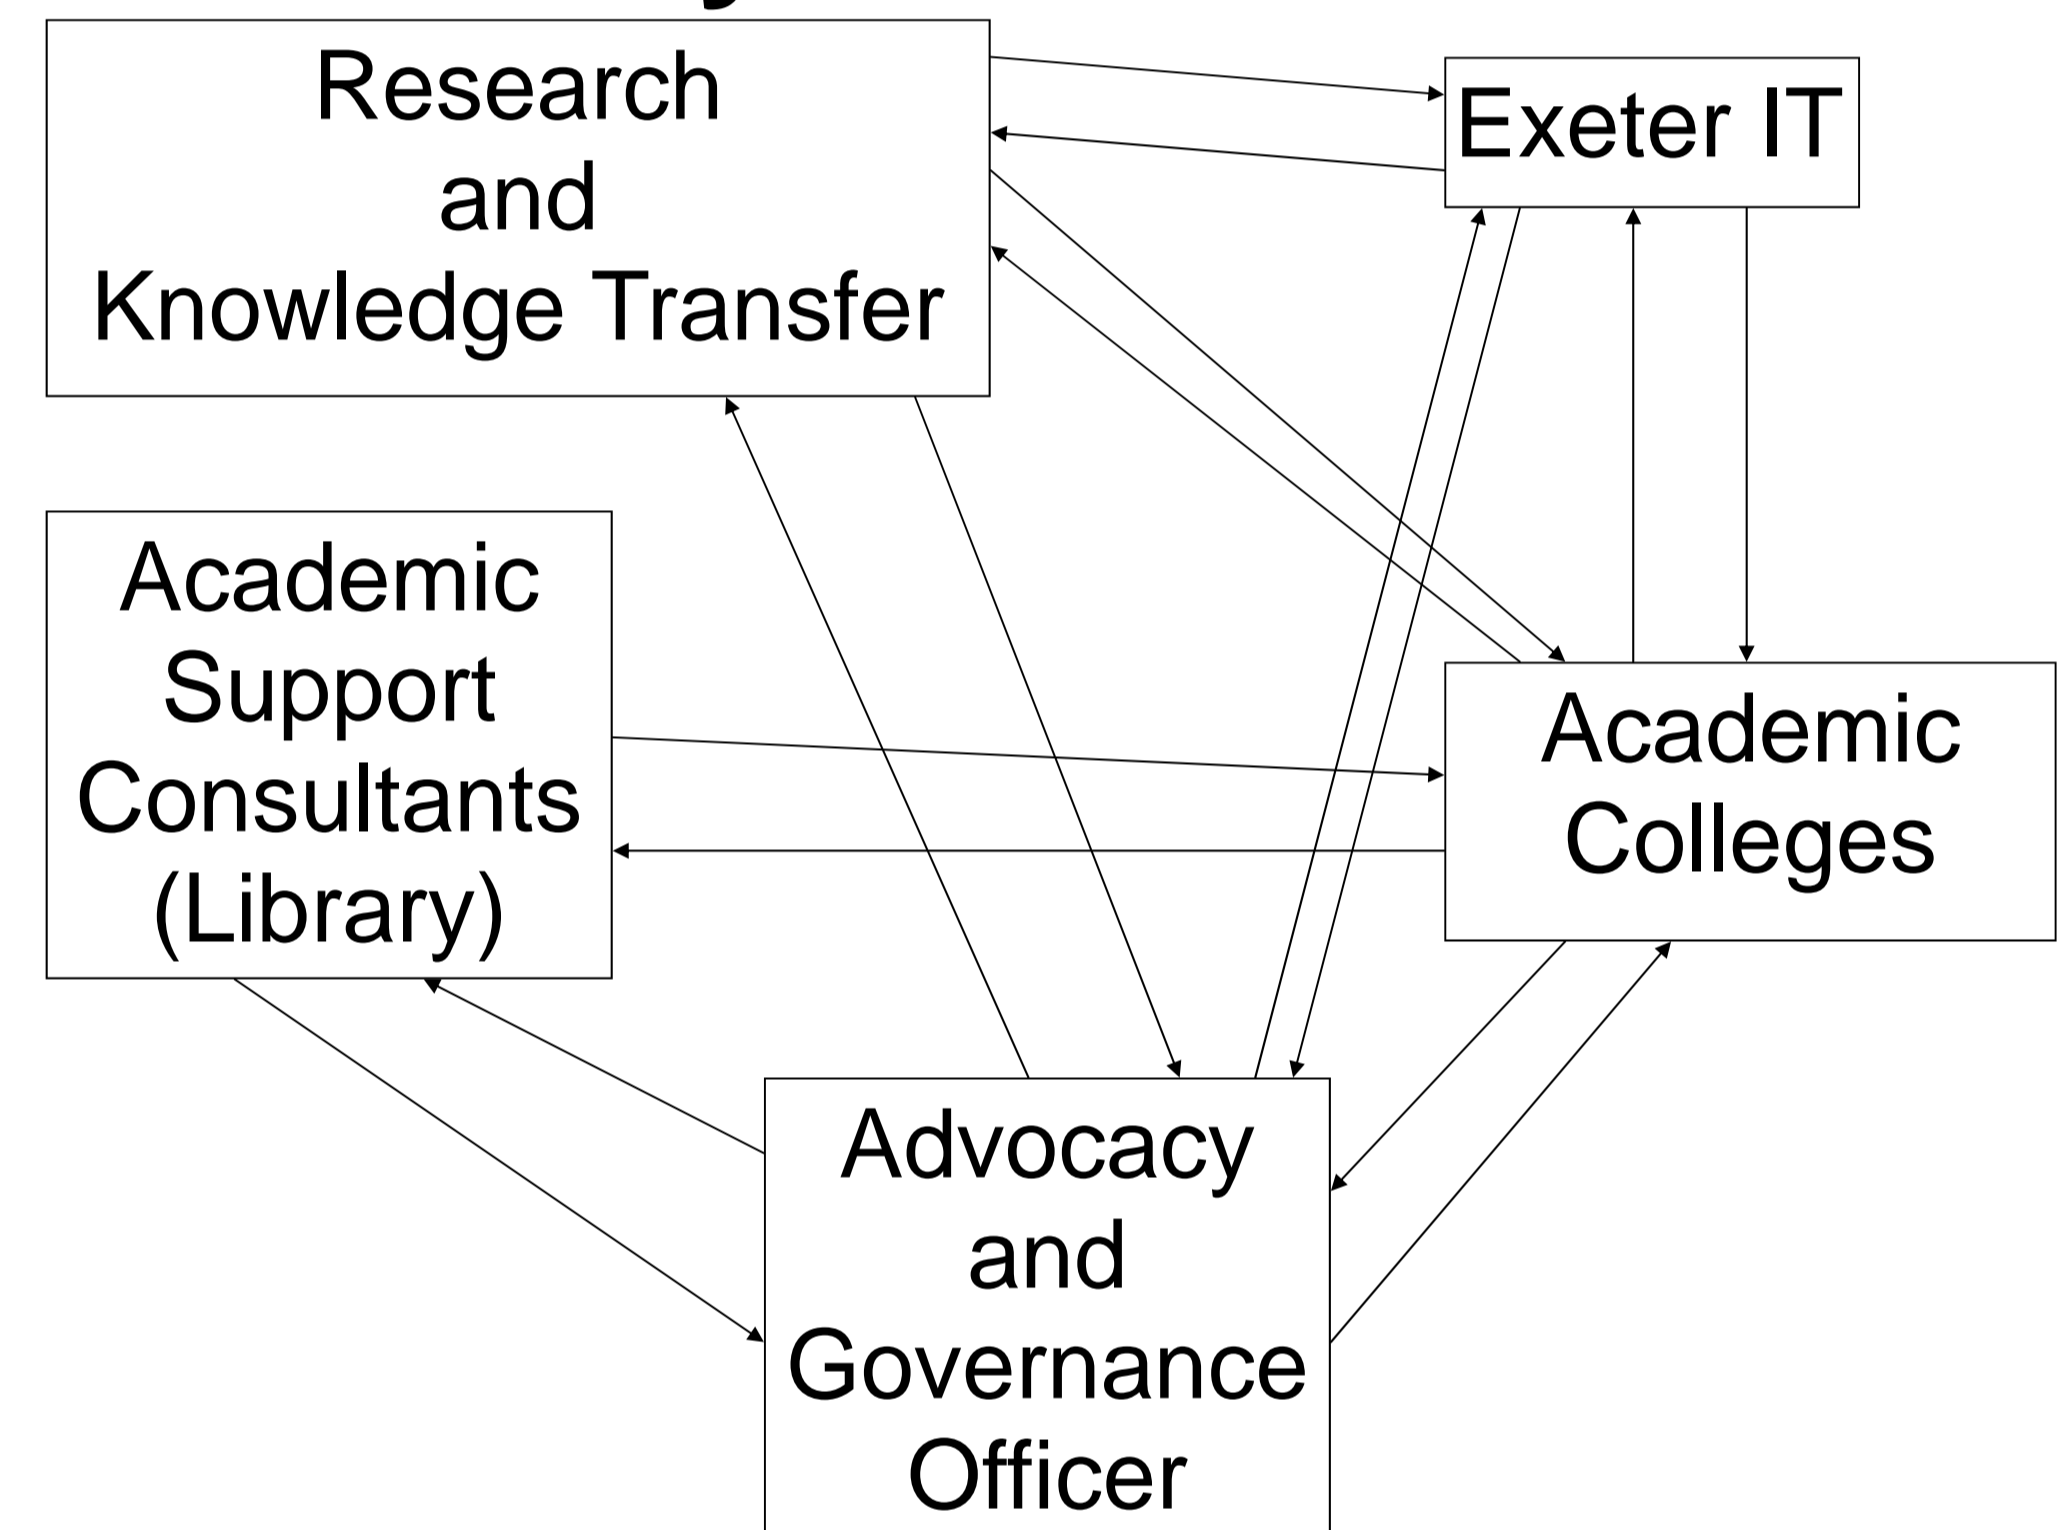

DAF

1. Research how others conducted them.
2. Contacts with Academic Colleges.
3. Interview active researchers.
4. The PGR questionnaire and workshop have contributed to this.
5. Departmental case studies planned.

PGRs

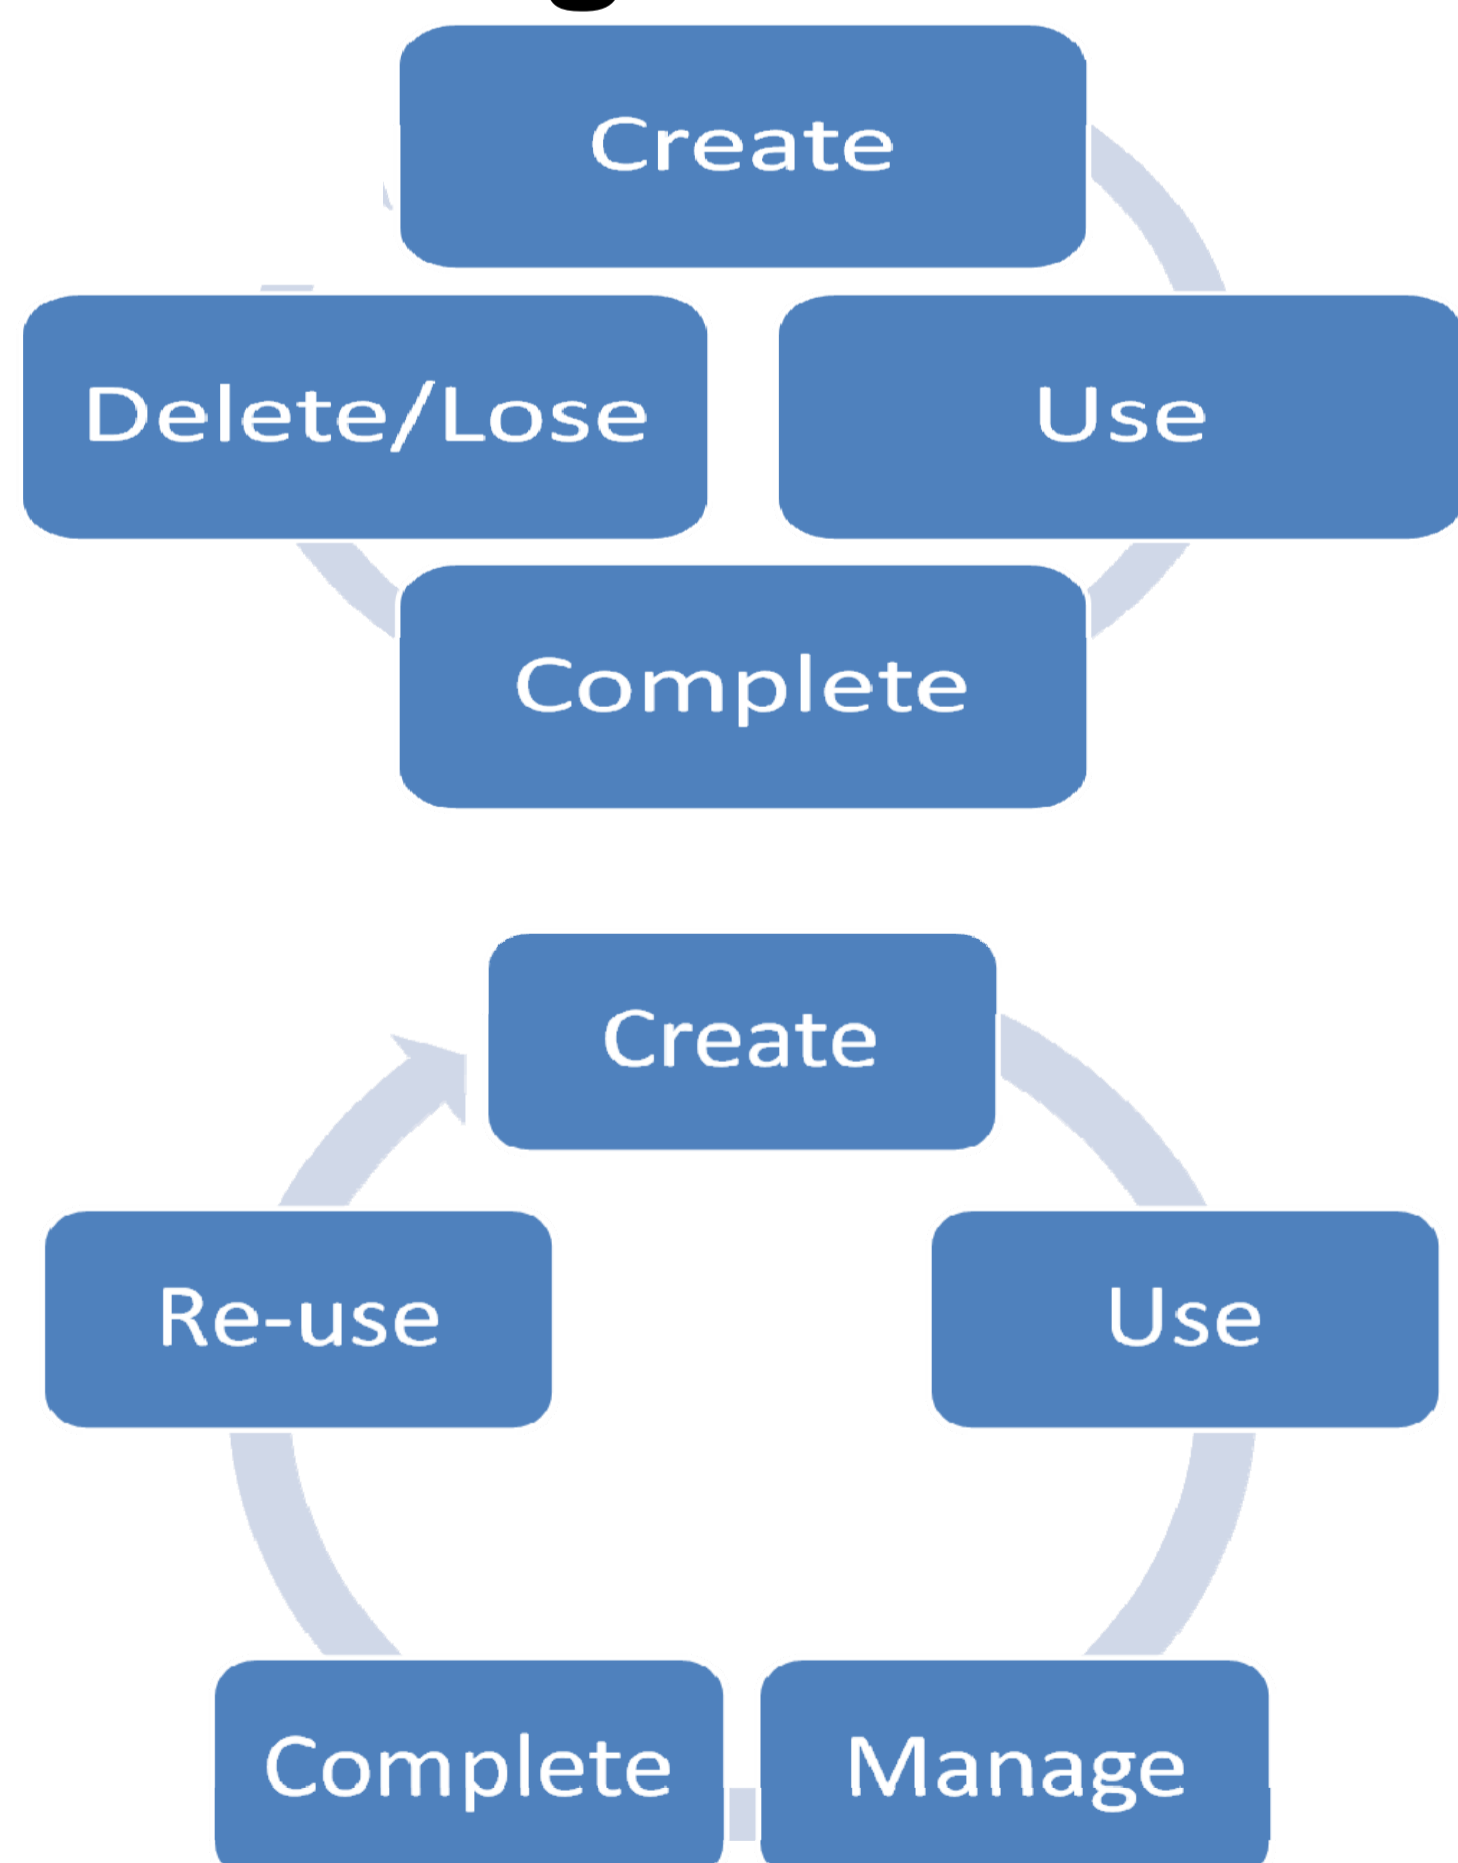

1. Working with seven PGRs for 12 months.
2. Investigating how they create, use and manage data.
3. Do they manage data?
4. Do they receive any training or advice?
5. Running an initial workshop and then regular meetings.
