What do I need to know about file formats?

I want to get cited more, can you help?

Where can I safely store my data?

Who owns my research data?

How do I create a data management plan to support my bid?

If so, come along to the research data clinic and meet experts from the Digital Curation Centre who can help.

Date: Tuesday 30th October 2012
Clinics*: 10am-12 noon - Avenue Boardroom
2.30-4.30pm - Park Library TPod
Talk: 1.30-2.30pm - Park Library TPod
Introduction to research data management

*To make a one-to-one appointment with a DCC expert please contact Miggie Pickton, Research Support Librarian on extension 2245, or email:
